- Dismantle and remove your existing Lift
- Scrap the old lift and issue a disposal certificate
- 4 years warranty

Finance is available from £16.50 per week + VAT

The Reason Why

Rotary Hydraulic Lifts

Working lift of 30 years

Uses at least 65% less energy

Fewer moving parts

Savings on Maintenance

Savings on servicing
(£95.00 per annum, consist of 2 visits per year)

Screw Lifts

Majority of 2 post lifts last 10-15 yrs

Powers up and powers down

Many moving parts, less efficient

1 nut change is approx **£700.00** (every 5 yrs)

Check your last bill!

Now includes: All lifts over 3 years old, Chinese Lifts over 3 months old.
Ranger and Benpak Lifts features in the HSE online pamphlet
